Total Hours: 93

The pre-pharmacy program in particular permits students to take only three years of undergraduate classes before starting the Pharm.D. program at the Harrison School of Pharmacy. During their junior year, students will begin the application process for pharmacy school. After successful completion of four semesters in the Harrison School of Pharmacy's Pharm.D. program, the College of Human Sciences will approve conferral of a student's Bachelor of Science in Nutrition/Nutrition Science. If a student does not complete the HSOP program, they will need to complete the Nutrition Science courses for degree completion.
